Virginia Commonwealth University

AWAF Scholarships

Scholarships are at the root of our purpose in Automotive Women's Alliance Foundation. As an active professional foundation dedicated to supporting the advancement of automotive professionals, AWAF strives to motivate current and future students studying an automotive related field.

Scholarships are selected by the scholarship committee and awarded quarterly to the women who solicit passion and drive for the automotive industry. It is our hope that with these scholarships, we lessen the burden on students and allow them to focus on gaining knowledge and development in automotive related fields and thus enhance their potential career path and the future of the industry.

AUTOMOTIVE WOMEN'S ALLIANCE FOUNDATION
a non-profit, has given since 2001
68 scholarships = \$167,000 and rising!

We are now accepting applications for education scholarships to institutions for Associates, Bachelors , Masters, and PhD degrees toward an automotive related career.
